Week 7- Blackbirds - Home Learning Weekly Overview

Hooray! We made it! Our last week of working at home and we are so looking forward to welcoming you back into school next week. We will be able to celebrate all of your achievements in working so hard at home and at school and we will be able to enjoy being together again. What are you most looking forward to? I am looking forward to seeing your happy faces, school dinners and seeing my friends!

It is going to be World Book Day on Thursday 4th March so we have a selection of excellent book related lessons for you this week. I am hoping for lots of ideas that we can share about your favourite books and favourite characters from books. I have been busy ordering some new books for the classroom and we are looking forward to sharing them with you. You never know…maybe one of them will become your new favourite! We would love to see your Art work from this week – you are going to become your favourite character! Will you dress up and pose for a photograph or maybe draw or paint yourself?

See you next week everyone! Right, I am off to dig out my Harry Potter outfit….. or maybe I will be a Rainbow fairy or Dogman…. So many cool characters to choose from!

	Monday	Tuesday	Wednesday	Thursday	Friday
Maths-.	Watch the video: https://classroom.thenational.academy/lessons/understanding-that-clocks-have-more-than-one-scale-64wpae Task –Worksheet - To understand that clocks have more than one scale	Watch the video: https://classroom.thenational.academy/lessons/reading-analogue-time-to-the-nearest-minute-cdgkjd Task – Worksheet – To read analogue time to the nearest minute	Watch the video: https://classroom.thenational.academy/lessons/telling-the-time-to-am-and-pm-68w3cd Task – Worksheet – To read the time to am and pm	Watch the video: https://classroom.thenational.academy/lessons/telling-minutes-past-on-a-digital-clock-cguk2c Task – To tell minutes past on a digital clock	Watch the video: https://classroom.thenational.academy/lessons/reading-and-ordering-time-presented-in-different-ways-64uk8c Task – Worksheet – To read and order time

English	Inroduction – Watch the lesson https://classroom.thenational.academy/lessons/to-develop-reading-for-pleasure-cgukgt Task – Create a Reading River of personal experiences with reading books.	Introduction - Watch the lesson https://classroom.thenational.academy/lessons/to-develop-reading-for-pleasure-74w3cr Task – To write a character description	Introduction – Watch the lesson https://classroom.thenational.academy/lessons/to-develop-reading-for-pleasure-through-book-recommendations-crrp8t Task – To write sticky note book recommendations.	Introduction– Watch the interview with Tom Fletcher https://www.youtube.com/watch?v=15c6fW8-3MY And then watch one of his stories being read. https://www.youtube.com/watch?v=mvXxMatTgao Task –Plan your own interactive story for younger readers	Introduction –Watch the lesson If you want to you can rewatch the video of the story being read https://www.youtube.com/watch?v=mvXxMatTgao Task – Write your own interactive story for younger readers
Topic	Please go to your year group class for Topic and Science. If you have any questions let me know and I will be able to help you out. You have been doing a fabulous job of following some of the Owl and Woodpecker work. Year 5 – Owls. Year 4 – Woodpeckers. You can choose to do either the activities below or the PE and Art suggested by Miss Thompson for Owl class.				
Physical Education	Yoga - https://www.youtube.com/watch?v=dF7O6-QabIo A final Yoga with Adriene for you to practise at home before we get back together at school. I would love to know your experiences of Yoga at home. Have you managed to find somewhere that feels comfy to do it? Are you feeling any stronger or better balanced? Does it help you feel calm and relaxed and ready to get on with the next part of your day?				
Other subjects	**Art** - Who is you favourite ever book character? Have a think and then look at the sheet for Art – you are going to create a piece of Art with yourself as your favourite character.... **PSHE** – Read the description of what is happening and then think about how the person would be feeling. Grab a mirror and practise the face that matches that emotion in the mirror. Then have a go at drawing the face. **Lego** – Build us a scene from your favourite book! Where is it set? Who is in the scene? What is happening? Is it at the beginning, middle or end of your favourite book? Or maybe you have chosen to build something from your favourite non fiction book like a pond habitat.				

Feedback – We would like to see some of your work when you have completed it so that we can give you feedback and it will help us to plan for you. This week we would like to see your Art work, your Reading River and at least one other piece of Maths work. Bring your books into school to finish we will quarantine them safely and then complete them and share them with some of the younger children in school!

Here are some links that you might need if you do not already have them.
