Monday 1.3.21 - Maths

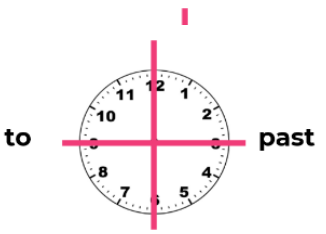

Task – To understand that clocks have more than one scale

The minute hand indicates **twenty minutes past.**

The hour hand indicates between **2 o'clock and 3 o'clock.**

Therefore, I know the time is **twenty past two** .

Independent task

Look at each clock face on the task sheet.

Work out and write down what the minute hand is showing by reading the minute scale.

Then work out and write down what the hour hand is showing using the numbers.

Use these two pieces of information to write the correct time in words.

Check your answer makes sense.

The minute hand indicates _____.

The hour hand indicates between _____.

Therefore, I know the time is _____.

The minute hand indicates _____.

The hour hand indicates between _____.

Therefore, I know the time is _____.

The minute hand indicates _____.

The hour hand indicates between _____.

Therefore, I know the time is _____.

Tuesday 2.3.21 – Maths

Task – To read analogue time to the nearest minute

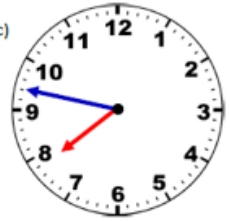

Independent task

Use what you have learned so far in this unit to help you tell the time to the nearest minute.

Remember to be careful about how you count the 'minutes to' times as these can be slightly trickier than 'minutes past' times.

b) 

c) 

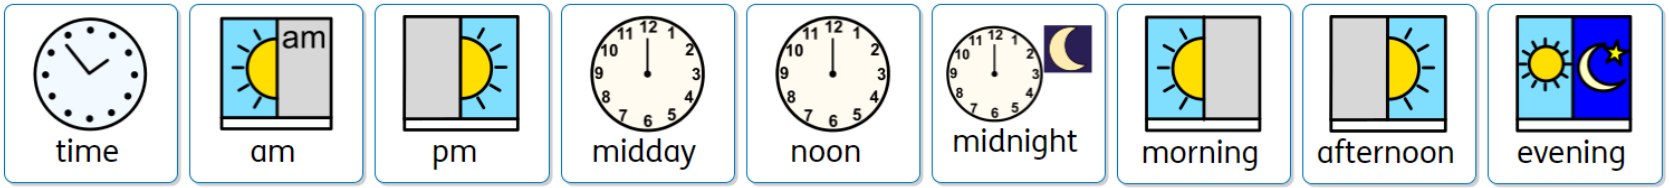

d) 

e) 

f) 

Wednesday 3.3.21 – Maths

Task – To tell the time to am and pm

Independent task

Decide whether these events happened before midday (a.m) or after midday (p.m)

Skye went to school at 9 o'clock _____

Lewis went home at 3 o'clock _____

Maria practised her recorder at 4 o'clock _____

Amanda had her lunch at half past twelve _____

Michael tidied his room at twenty past five _____

The moon shone through Tom's window at 3 o'clock _____

Write a sensible time for these events. Remember to use a.m or p.m.

The sun rose at _____

I go to bed at _____

I went swimming at _____

I had lunch at _____

I had breakfast at _____

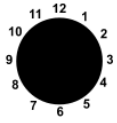

Thursday 4.3.21 – Maths

Task – To tell 'minutes past' on a digital clock

time

digital

analogue

hours

minutes

1234
digit

colon

Independent task

Match the digital and analogue clocks then write the time in words.

Friday 5.3.21 – Maths

Task – To read and order time

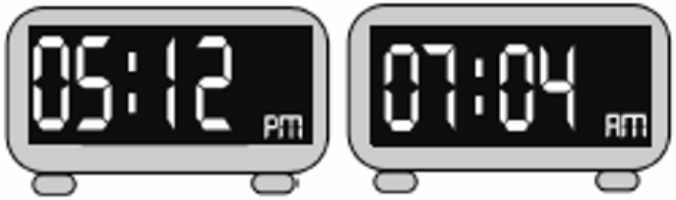

Independent task

Look at each set. Number the boxes underneath each clock to order from earliest to latest.

5 to 12 in the morning

10 to 6 in the morning
