
Literacy
Research somewhere in the world you would like to go on holiday.
Produce a leaflet or holiday brochure for this place.
Write a postcard to your friends in school.
Write a diary entry describing your day out.
Science
Design a menu for a local retsaurant, think about local foods and try to provide healthy and not so healthy choices.
Maths
Work out how much your day will cost, include travel, lunch, treats and entry to any attractions.
How far away is it? How long will it take to get there?
Find a timetable to get there by train/aeroplane and choose what times you could travel.
My Perfect Day Out
Choose anywhere in the world you would like to spend a day
History
Find facts about your destination - did someone famous live there or something interesting happen?
Geography
Look for your destination on a map
Write and perform an accurate weather forecast for your day out
Art/Design Technology
Draw/Paint a picture for the front of your postcard
Design your outfit for the trip
PE
What are the main sports played at your destination? Play this with your family.
