Homework for the Robins– Spring 2025

Please pick any 3 from the ones listed below. The children can select any of the activities and can do more than one from each area e.g. if they have a real interest in history and castles then all 3 pieces can be from the Castle area. If you have any questions please ask.

Please hand any homework in any time before Friday 21st March.
We will look at any homework bought into school on a Friday afternoon, where the children can talk through what they have done.

Here are the activities for you to choose from, in order to complete your homework this term.
