Colville County Primary School

5th January 2023

Dear Parents/Carers

Happy New Year to you all.

An overview of what we will cover this half term is attached. Our topic for this term is Stone Age to Iron Age and our wider curriculum homework idea sheets which will also be emailed. It was lovely to see the work the children produced during the last half term. Thank you for your support in this.

A lot of children unfortunately missed our trip to the Zoology Museum last half term. It is free to visit, so please do go if you are able https://www.museum.zoo.cam.ac.uk/ - the children who went would really recommend it! This half term, we will have a loan of a box of skulls from the museum which we will be able to use in art.

For our science topic this half term, we will be visiting the chalk pits but will decide on the date and let you know nearer the time as we will be walking there during an afternoon and there will be no charge.

PE will be Mondays and Wednesdays. We will be outside for cricket if the weather permits so please provide an outdoor kit suitable for the time of year.

Maths homework will be set on Mathletics. Spelling tests will continue to be on Wednesdays. Please continue to listen to your child read every day. This is especially important if they are on levelled books. Please ask questions to check their understanding. If your child is reading books from the book corner, it would be beneficial to ask them to summarise what they previously read, listen to them read a page and check they are understanding the book, then let them read the rest of the chapter independently. If you feel they are not understanding the book they have chosen, please put a note in the homework diary and we can help them to choose something more suitable.

If you have any questions about the upcoming term, please do contact me.

Kind Regards,

Ms Sophie Mitchell
