Homework for the Robins– Summer 2026

In year 2, I provide you with a selection of homework projects to choose from. Please pick from the list below. If you have any questions please ask.

Please hand any homework in any time before Friday 26th June.
We will look at any homework bought into school on a Friday afternoon, where the children can talk through what they have done.

Here are the activities for you to choose from, in order to complete your homework this term.

Seaside Find out about what it was like at the seaside in Victorian days. What did people wear? What did they do? What did they eat? Show your findings in a poster.	**Seaside** Find out about how people used to travel to the seaside before cars. Write three facts you find.	**Seaside** Under the sea – find out about some creatures that live under the sea, tell me what you have learnt. You could create an information fact sheet or poster to show your findings.
Seaside Take a trip to the seaside, and take photos to show to the class and talk about your day out.	**Seaside** What can you do at the seaside? Create a poster to show all the wonderful things you can do at the coast.	**English** Visit your local library and borrow a fiction or a non-fiction book which interest you. Can you bring it into class and share it with your friends?
Science Create your own food chain. Be creative! For ideas, look here: http://www.theschoolrun.com/homework-help/food-chains	**Science** Sow a seed in a pot and keep a diary of the plant growing.	**Science** Draw and label a picture of a flower such as roots, stem, petal etc. Can you tell me what each part does?
Art Using old newspapers and magazines, cut out pictures of different facial features (eyes, ears, nose, hair, mouth) and make a portrait collage. 	Art Find out about the artist Yayoi Kusama (the Tate Kids website is useful). Create a self-portrait inspired by her polka dot artwork. https://www.tate.org.uk/kids/explore/who-is/who-yayoi-kusama	RE Research a religious festival (like Diwali or Eid ul-Fitr). It could be one you celebrate or one you would like to find out more about. Create a poster to show what happens at the festival and why it is a special event.
