All children in Key stage 1 – incorporated into Year group for all lessons with additional targeted support and withdrawal for 1:1/small group work

All children in Key stage 2 - Taught in the SLC for small group English and Maths. In English we teach topics lasting 2/3 weeks with a narrative focus on mon, Tuesday, Wednesday and Grammar focus on Thursdays and Fridays. Maths is taught in a mixed ability class with a focus on a Mastery approach, using Key Objectives from Key Stage Two. Everything we do is visually supportive, modelled and uses intense scaffolding to support children.

Children receive an additional package of support according to their individual profile of needs. Some of these needs are outlined in the curriculum options below.
