Spring Term

How could we get there?

TOPICS
People Who Help
Exploration

We Love

We will invite family members to tell us about their jobs
We will think of ways in which we can help each other
We will remember different ways we have travelled
We will invite our families for an Easter egg hunt

Look how helpful you are!

We Laugh

We will go on a bear hunt in the school grounds
We will use our imagination with friends in new role play areas
We will create the biggest bus in the world!
We will turn ourselves into aliens

I wonder how that works

We Learn

We will practice clapping syllables in a word
We will learn ways to join materials
We will have opportunities to develop our fine motor skills
We will investigate sinking and floating

What do you think will happen?
