PREMIER EDUCATION WRAPAROUND CARE

Dear Parents & carers, Welcome Back,

Premier Education are delighted to partner with The Colville Primary to provide comprehensive Wraparound Care services at the school. Our partnership with Colville Primary began last September, during which we have managed wraparound care, facilitated inset days, organised holiday camps, overseen physical education activities, and conducted lunchtime clubs.

Premier Education takes pride in offering a premium Ofsted-registered wraparound care facility. We are committed to delivering high-quality out-of-hours care for the school's students, ensuring a reliable and exceptional service that caters to the needs of busy parents and children alike.

In alignment with the school's ethos, Premier Education works closely with Colville Primary to uphold the school's ethos within our provision. This commitment ensures consistency and a smooth transition for students from their school day into our after-school care programme.

Leading Colville Primary Premier Team is Amy Hulme & Diana Hamer, both successfully overseeing the venue for the past 12 months. Both Amy & Diana work at the school during the school day, both providing years of experience within childcare and under their guidance and leadership, our wraparound care services have flourished. Amy & Diana are readily available during sign-out times to address any questions or concerns you may have.

We are excited to welcome new and existing faces into our provision, with something for everyone to enjoy within our provision.
