

Colville County Primary School

Child's Name: _____ Class: _____ Date: _____

Tapestry Information and Permission Form

This form provides some information about the online learning journeys that we produce for each child in the Foundation Stage. We require your permission to set up an account for your child. Early in the Autumn term (or soon after your child starts school, all parents are invited to a Tapestry meeting to learn more about the system and the benefits for sharing information between home and school.

Tapestry – Online Learning Journeys

At Colville Primary School, we create individual 'learning journeys' for your child through a piece of educational software called 'Tapestry'. By logging on with a secure username and password staff build a profile of evidence of your child's progress towards the Early Learning Goals. This evidence is used to complete assessments and what is known as the Early Years Foundation Stage Profile which is a statutory requirement at the end of Reception. Tapestry has many benefits for the school as it is a paperless system and can be used to collect a wide range of evidence. Arguably, the biggest benefit is that you, as parents/guardians, will be able access your child's journal via your smartphone, tablet or a computer using the Tapestry app. This provides a 'window into the school' for you to see what your child has been doing and allow you to support their development further at home. You can comment on observations and even add some observations of your own if you choose. All of this information is stored on a highly secure server which is monitored closely. We will offer half termly 'Learning Journey' sessions where parents can access Tapestry with the support of the Class Teacher. If you do not have access to the internet you can contribute through these sessions and also make further appointments for access through the Class Teacher.

In order for your child's Learning Journey to be created please complete the permission below. Please provide your e-mail address as we will set up an account enabling you to access your child's learning journey via the secure Tapestry website and mobile app.

Tapestry Online Learning Journey Permission

- 1) I agree to my child having a Tapestry Online Learning Journey.
- 2) I agree not to post any content from my child's learning journey on any social networking site, e.g. Facebook.
- 3) I give permission for my child's image to appear in photographs/videos in other children's learning journeys. (Sometimes we do group observations or when children are working together).
