

Colville County Primary School

Friday 17 April 2026

Dear Parent/Carer

Welcome back! The children appear to have returned refreshed and full of energy, I think we are all glad the weather has been mostly good to allow them on to the field for their playtimes to burn off some of that excess energy.

On Wednesday we were treated to our annual Bigger Picture Project presentations. This is one of our collaborations with The Perse Secondary School who provide us with an opportunity to nominate children for this mentoring project, with a focus on art, culminating in presentations by the children on their experiences and learning. This year we saw particularly strong bonds forged between our children and the Perse students, allowing lots confidence building and support to develop. I enjoyed the presentations even more than usual this year due to confidence and enjoyment showed by our children.

After a quiet start to the term, we seem to be straight into a busy week with trips, football matches and a class assembly!

Dinner Money Prices

Unfortunately, with ever increasing costs around food, energy and staffing we have taken the difficult decision to increase our school meal price again this year. From 1st May 2026 the cost of school meal will rise to £2.90. If you think you are eligible for Free School Meals, please contact the school office for advice and support in claiming this. Please remember, all children in Reception, Year 1 and Year 2 are entitled to a free meal each day.
