Dear Parent/Carer

The Easter break seems to have arrived quite suddenly, the Easter tombola was very well attended, we may need to find even more chocolate for next year's one! The children are set to enjoy an exciting afternoon with Easter egg hunts and a magic show with their House groups.

We enjoyed an interesting and thoughtful assembly from Year 6 yesterday, based on their topic around World War 2, they demonstrated some excellent empathy for the evacuees and their quick reactions to the air raid siren showed their understanding of the urgency around this alert. I still have their rendition of we'll meet again going round my head today, so the conducting from Mr Wilton certainly helped their performance of this.

Year 4 enjoyed a trip to St Andrew's church on Monday as part of the churches Easter celebrations, spending time learning more about the Easter story and how Christians mark the occasion.

We enjoyed our termly iRock concert on Wednesday, the performances are certainly improving, partly due to the children having been learning their instruments longer and also because of their growing confidence to perform and experience of doing so.

Our boys football team were back in action on Wednesday, their penultimate league game of the season was against Sancton Wood primary, with the boys coming out convincing 3 – 1 winners. This leaves us with 2 wins and a loss heading into the final round of matches!

May I wish you all a Happy Easter, I hope the weather is kind and I look forward to seeing the children back safe and well on Tuesday 14th April.
