

Colville County Primary School

Friday 20 March 2026

Dear Parent/Carer

It seems that Year 4 brought their enjoyment of last week's Anglo-Saxon Day into their assembly yesterday. They started with huge smiles as they welcomed us and continued this energy throughout the show. They delivered their lines with good timing and clear voices and I am not saying it just because they all have spears they made last week!

Thank you for all of the donations for next week's Easter tombola, they all seem to have been hidden away somewhere to make sure they are all still available for the tombola. The tombola is after school next Wednesday and is always very popular, make sure you bring some cash with you when you collect. Children who attend the after-school club will be able to go as well, just send them in with some money.

Please can I ask that in the coming days you all take a moment to look inside your children's book bags, we have surprised a number of parents recently with requests for permission slips, money or information following the disappearance of letters into the bottom of book bags. We send out lots of communication via email, but sometimes a letter is needed and so it is important to check book bags each night when you do reading with your child.

We enjoyed our last football tournament of the year for our boys' team on Wednesday. They started well with two draws and a win, but tailed off with two losses before winning their last game, finishing just outside the top half. It was really pleasing to see how well they coped with the demands of the tournament in terms of fitness, something we have been working on a lot this year.

To all of our children and their families who are celebrating Eid today may I wish you Eid Mubarak.
