

Colville County Primary School

Friday 30 January 2026

Dear Parent/Carer

Mr Watkins and I spent a cold, but rewarding, morning at the English Football League tournament with our school team at Bottisham School. The boys did exceptionally well, starting the competition with two good wins, before stuttering with 2 draws and a loss, but came back with a strong final game in the league stage, winning a place in the final against Milton Primary School. Having been beaten by them in the league game the boys were keen for revenge, but lost a difficult final to finish second overall.

Our Nursery Class enjoyed a visit from our local police officer yesterday as part of their topic about people who help us, and were particularly pleased to see the police car with its lights and sirens.

We have lots going on next week, parents evenings, our annual 100 days of school maths day, Year 2 have their Great Fire of London day and Year 4 are holding a cake sale to help raise funds for their West Stow trip.

Parent Consultation Meetings

A quick reminder that bookings for parents evenings are open, please do book in for a time slot so we can tell you all about how well they are doing and share their lovely work with you. If your child has an ASP we will be in touch separately to arrange a meeting.

Dinner Money

It is my usual reminder, as we head towards the end of the financial year, for parents to ensure they have paid up to date for all of their dinner money. We will be sending out more reminders to individual parents in the coming days, but would appreciate parents checking their balance on the School Gateway and resolving any debts.
