

Colville County Primary School

Friday 23 January 2026

Dear Parent/Carer

The weeks seem to be flying past at the moment, we are already half way through this half term, not that I am counting the days until the next holiday! The children have been full of energy this week, apart from the O2 attendees who were a little bleary eyed on Tuesday.

The choir had a fantastic evening out on Monday, the reports from staff, children and parents have been extremely positive and the children are already planning to be there again next year. The whole event is excellent, thanks go to all of the staff for giving up their time for the practices as well as the long evening at the concert. It was just a shame some children did not attend school the next day due to being tired, which is not a reason to stay off school.

Sparrow class enjoyed a visit to the Sedgwick Museum yesterday as part of their studies into fossils and pre-historic life. Ms Mitchell was extremely proud when the museum staff told her that her children had given the best explanations of fossils and how they are formed of any class that had attended the museum! This was then topped off when some other bus users told her how impressed they were with the children's behaviour. Well done Sparrow Class!!

Parent Consultation Meetings

A quick reminder that bookings for parents evenings are open, please do book in for a time slot so we can tell you all about how well they are doing and share their lovely work with you. If your child has an ASP we will be in touch separately to arrange a meeting.

Dinner Money

It is my usual reminder, as we head towards the end of the financial year, for parents to ensure they have paid up to date for all of their dinner money. We will be sending out more reminders to individual parents in the coming days, but would appreciate parents checking their balance on the School Gateway and resolving any debts.
