

Colville County Primary School

Friday 9 January 2026

Dear Parent/Carer

Welcome back, I hope you managed a little resting time over the festive period, the children certainly seem to have been very busy and excited for most of the time.

It was strange returning to school in the snow on Monday, with the children keen to play in it on Tuesday, although the cold temperatures soon changed their minds. We are not expecting too much more snow in the coming days, but if we do have any extreme weather and need to close the school we will text and email on the morning and it will also be on our website and that of Cambridgeshire County Council.

Please do ensure the children have a coat in school each day, there have been a few cold children on the playground saying they have come in the car and so didn't bring one! We go outside lots during the week, not just for playtimes, but for Daily Mile and other activities as part of the school day.

Our choir performed beautifully yesterday evening for their parents, a little preview of their upcoming performance at the O2 as part of the Young Voices concert later this month.

We have our Grafham residential trip next week, Year 5 and 6 children will be staying from Tuesday to Friday at the centre, taking part in a wide range of outdoor activities including climbing, mountain biking and archery. Although this year we may include some sledging and snowman making as well.
