

Colville County Primary School

Friday 12 December 2025

Dear Parent/Carer

We had a busy start to the week with our Christmas Fair, thank you to everyone who came, spent money and enjoyed themselves. Well done to the PSA and staff members for organising and running the event, without all their hard work and dedication these events simply wouldn't happen. As well as all the fun that was had, we raised over £1800 to support the school.

Given the amazing efforts of the PSA, I was hoping to tell you how much fun the children were having on our new climbing frame, however the installation has been delayed, Mr Fordham and I have been tempted to start putting it up after the materials were delivered on Monday, but they should be here early next week to complete the work.

Year 6 enjoyed a trip to the Museum of Zoology in Cambridge yesterday as part of their evolution topic, followed by a visit to the Botanical Gardens for some sketching of plants for their art. As ever we were really pleased with their behaviour and engagement on the trip, with museum staff commenting on this.

Year 5 have been out on the streets completing their Bikeability training this week, they were mostly lucky with the weather and everyone has survived and no crashes were caused! Well done to everyone who passed.

It is our Christmas lunch in school on Thursday next week, the children are invited to wear Christmas jumpers on this day.

Elfridges

On Monday 15th and Tuesday 16th December (next week) we will be opening the Elfridges shop at morning break time.

Children are invited to bring in £2 to buy a gift for a loved one at home. They can wrap it and label it here, so it is a surprise for Christmas day.

It is limited to one gift per child, so every child has a chance to buy a gift.

If your child would like to come to Elfridges, please make sure you send money in, in a named envelope so it doesn't get lost.
