

Colville County Primary School

Friday 21 November 2025

Dear Parent/Carer

A quiet week in school for once, the highlight for most children being the flu vaccinations on Wednesday, don't worry if they missed it they are coming back on the 3rd December. Next week is looking a bit busier, we have Wagtails' Class assembly on Thursday and non-uniform day on Friday.

I know how many of you are following the progress of our football team and will be disappointed to hear that we suffered our first defeat of the season. The boys played really well, despite losing 5-2 to the University of Cambridge Primary School, they battled well, with the larger pitch and a couple of missing first team players making the difference. We have lost top spot on the league for now, but it is close with mixed results across the latest games.

Many of you will have noticed the drop in temperature this week! Please ensure children have jumpers and coats for school, we do still go outside for play and lunchtimes and lots of children have found this quite hard this week without jumpers and coats. It is important for them to be out in the fresh air during the day and a little rain won't stop us going out either!

Hamper day – Friday 28th November

Our Christmas Fair is on Monday 8th December and as part of it, we have a hamper donation day. Children are invited to bring an item to school for their class colour donation (see list below) and in return the children will have a non-uniform day. Donations will be used to make hampers, which will be raffled on the day of the fair. Raffle tickets will be available to purchase from Friday 28th November, they will also be available to purchase at the Christmas Fair.
