

Colville County Primary School

Friday 26 June 2026

Dear Parent/Carer

I am sure the children and staff have appreciated the air conditioning in the classrooms, I know they have been using them a lot this week, although some of the Year 6 children are still insisting on wearing their leavers hoodies! I am really pleased that we have been able to stay open all week, the children have been very sensible about play and lunchtimes, with many choosing to stay in the cool classrooms or using the shade of the trees to good effect.

We did have to postpone the planned trips this week due to gallery closures at the museum, but are rescheduling these for the next available times. Thank you for your understanding with this.

The children have enjoyed their non-uniform day today, although it would appear fashion is more important than keeping cool given the wide array of long trousers, jeans and long-sleeved tops! I think a few of the children are regretting their choices this afternoon. Thank you for all of the donations for next week's summer fair, we are preparing the ever-popular hampers for the raffle.

Sports Day was well timed for Monday, the children really enjoyed the event and we were finished before the day became too hot. Thank you for all of your support, the children do appreciate having you there and are excited to show you what they can do. The races were a highlight this year, lots of new challengers for being quickest in their classes. I did enjoy the three-legged race chosen by the Year 6s as their last sports day race at Colville, although was worried I might have a number of accident forms to fill in given their lack of coordination and teamwork.

Summer Fair

It is our Summer Fair next week, we are looking forward to a cooler day for this event if only so we can get our money's worth out of the bouncy castles! Please do come along and support the PSA and if you are able to help out on a stall or during set up that would be great.
