

Colville County Primary School

Friday 19 September 2025

Dear Parent/Carer

It was lovely to hear some of the reasons for our Golden certificates in assembly today. So many children have received awards for settling into their new classes and meeting the expectations of the new year group alongside those having great ideas, extra knowledge around their lessons or just simply being a kind or helpful member of our school.

I hope you have appreciated the new reading diaries we have this year, they are so much sturdier than the ones we tried last year, and more importantly they have enough pages to record children's reading through the holidays! We do really value the time and effort it takes for you to read with the children each day, it is so beneficial to them making good progress across the curriculum.

I think the children are enjoying reading so much they are keeping books at home, we seem to be missing quite a few from our book boxes and corners, please can I ask that you have a look at home for any school books that you they are not reading now and send them back in.

The works to school are progressing well, the last of the roofing works should be completed in the next few weeks and we should see most of the scaffolding down in the next few days. We are hoping to complete the internal re-decorating without too much disruption to the children, but there may be some days where children have to move classrooms.

It was great to see so many children taking up the free places in our school sports clubs, as usual we will be changing the year groups and sports each term, and there are a few left if children would like to join.
