

Colville County Primary School

Friday 5 June 2026

Dear Parent/Carer

This school year seems to have flown by, we are now in the final half term before the summer holidays. The children are starting to look ahead, we will be starting some of our transition activities in the coming weeks where children will work with their teachers for next year.

It has been a fairly quiet first week back, the younger children enjoyed meeting some small animals on Tuesday, I saw the snake and a guinea pig arrive and the children were excitedly discussing how they got to touch and hold the animals during the morning. I am sure quite a few will be nagging you for a new pet following this experience.

Our assembly yesterday was provided by Cambridgeshire Library Service, with lots of information about this summer's reading challenge. I hope everyone has taken the opportunity to visit the library since it re-opened and I have heard good things about the café that is open in the hub.

The weather was kind to us this morning for our class photographs. It was good to see so many had remembered and had their hair smartly brushed and jumpers missing looking clean and fresh.

There are lots of trips and events, Sports Day, Year 6 shows etc. happening this term, please keep an eye on the website calendar and class letters for the dates.
