

Colville County Primary School

Friday 22 May 2026

Dear Parent/Carer

It has been a warm and busy end to this half term, the children's red faces at the end of playtimes testament to how grateful they are to be able to use the field for the running around!

We really enjoyed the Sparrow Class assembly, their poetry stood out as the highlight. They presented poems about how they don't like poetry, followed up with fantastic shape poems before demonstrating their performance poetry skills with a rendition of The Jabberwocky! They also fitted in some singing in French, moving pictures from Design Technology and a wide range of facts on volcanoes and plants.

We have had classes out on trips, Year 6 visited the library on Wednesday and Year 5 were out at the Cambridge Science Centre looking at jobs of the future. Year 6 are also, possibly not enjoying, experiencing school in 1940s Britain, I have resisted going into the classroom too often just to see them stand up for me – am considering whether to implement it across the school! Although I have avoided the Spam sandwiches being served this afternoon, there is a limit to my dedication.

I did enjoy handing sandwiches around at the Nursery's teddy bear's picnic this morning, it was lovely to see so many families joining the children for this event. I think the children may have enjoyed making the honey sandwiches more than eating them.

Thank you to all of the helpers and organisers of the disco on Wednesday, the children seemed to have a good time and the tuck shop almost sold out by the end of the evening. Thanks to all your donations and the sales on the night, we raised £546. Keep an eye out for the PSA's next event and don't forget to get in touch if you would like to be involved.

I hope the weather stays nice for the half term holiday and I look forward to seeing the children return on Monday 1st June.
