

Colville County Primary School

Friday 15 May 2026

Dear Parent/Carer

The Year 6 children have been superb this week, they approached their SATs with maturity and confidence which has allowed them to do their best. I am sure their results will show this in July, well done everyone.

Miss Hunt and Mrs Lamper were presented with £278 from Tesco this morning from their staff charity bookshelf. Given the large number of book requests I am currently receiving from the children I am sure we will quickly spend this generous donation in topping up our reading corners. A big thank you to all at Tesco.

Year 6 have finished their week of exams with a trip to Duxford Imperial War Museum as part of their topic work. They will be spending time considering how it was to be an evacuee, trying out the Anderson Shelter and looking at the large number of planes on display.

We all enjoyed the Greenfinches' assembly yesterday. The quick costume changes and the lovely singing made us smile. They showed great skills in remembering their lines and just when to stand up and say them. The children who read their stories did so extremely well and with great confidence.

Year 1 were also out and about on Monday, enjoying a trip to the Scott Polar Museum as part of their topic work. The children were so well behaved and obviously enjoyed the chance to see the artefacts they had heard about in person and close up. Their behaviour was impeccable as ever and the staff were so proud of them.

It our Whole School Maths Day on Monday of next week and we have more trips and a class assembly packed in before the half term break!
