

Colville County Primary School

Friday 8 May 2026

Dear Parent/Carer

I could get used to a 4-day week, the weekend seems to have arrived very quickly again! The children have packed lots in still, we all enjoyed the Owl class assembly on Wednesday, the children coped really well given Ms Fehlberg was unfortunately unwell and so not there to oversee things. The children showed great abilities in their singing and dancing, taking us from hand jiving and 50's rock and roll through to Tina Turner and Fresh Prince of Bel Air hip hop!

Year 4 enjoyed a trip to the Fitzwilliam Museum on Tuesday to study a range of artists and artistic styles, before looking at some of the bridges around Cambridge for their geography topic. The children were their usual well-behaved and inquisitive selves!

Next week is SATs week with our Year 6 children completing national tests. They have worked extremely hard this year in preparation for the SATs and I am sure with a good weekend's rest and plenty of sleep they will come in Monday ready to do their best.

Thank you to everyone who came to the Grafham meeting on Wednesday, we seem to have a lot of families for whom this will be their first experience of our residential. The shortened programme is helping to keep the cost down, but we are intending filling the days more with activities to ensure the children don't miss out. The deposits are due in by Monday to secure your places, but please do come and talk with us if you are struggling with this payment.

The next school disco is coming soon, please remember to send in your slips and the PSA are always looking for more volunteers to help out on the night, contact Miss Hunt in the school office for more information on how you can help and what else the PSA have planned for this term.
